

Nobody's Baby

Devon Cole

Blue skies above my head
I left all those simps for dead
I really do prefer my own company
And I ain't tryna be no wife
I am the love of my life
And fuck I wanna spend some time with me

I don't need to look around for somebody to complete me
I'm committed to myself and I'm loving how I treat me

Yup!
It's a beautiful day to be
Nobody's baby
It's a beautiful day to be
Nobody's, somebody
It's a beautiful day to be
Nobody's baby
I'm nobody's baby
And I like it like that

I don't need you in my bed
I've got toys for that instead
And nobody knows me better than I do
Ooh-ooh-ooh-ooh
Party for one I'm cookin' dinner
Think I found myself a winner
(Think I found myself)
I might just get her name tattooed
(I might just get her name tattooed, yeah)

Yup!
It's a beautiful day to be
Nobody's baby
It's a beautiful day to be
Nobody's, somebody
It's a beautiful day to be
Nobody's baby
I'm nobody's baby
And I like it like that

Suddenly
The world is open
And I'm unbroken
Cos I'm dressed to the nines
In my own devotion

Dripping in that self love
Checking out my own bum
I've been having more fun
And giving less fucks
To anyone whose scared to be alone
This is your sign to let go
Cause

It's a beautiful day to be
Nobody's baby (nobody's baby)
It's a beautiful day to be

Nobody's (nobody's), somebody (somebody)
It's a beautiful day to be
Nobody's baby (nobody's baby)
I'm nobody's baby

And I like it like that
