

Uncall It

Devon Cole

I was lying when I said I'm over you
I was high at the time, it's no excuse
But I'm trying to be honest for once
That might have been the problem with us

I don't ever say the things I really mean
I wrote a song about how good I've been lately
But really all I do is waste time
Wondering if I'm still on your mind

Don't say no, now I'm ready
To love you right if you let me
Believe me this time I'm all in
So can we, can we uncall it?

Can we?
Can we?
Can we uncall it?

Can we?
Can we?
Can we uncall it?

I don't know how many times I've almost called
Didn't even try my hand at moving on
I know that's what we said we'd do
But I won't meet another you

I remember that September at your parents house
We were making plans for twenty years from now
Oh, tell me you still want to try
I could be on the next flight

Don't say no, now I'm ready
To love you right if you let me
Believe me this time I'm all in
So can we, can we uncall it?

Can we?
Can we?
Can we?

Can we?
Can we?
Can we?

I don't want to run
Don't want to quit
Don't want to look back
And wonder what if so

Baby, give me one more chance
I won't ever let you go
No never again

Don't say no, now I'm ready
To love you right if you let me

Believe me this time I'm all in
So can we, can we uncall it?
