

Life Is Short

DeVotchKa

Life is short
The sky (or heaven) is short
Life is short

I'll meet you tonight
I'll meet you tonight

My love, I wait for you this night
My love, I wait for you this night
My love I'll meet you tonight
Just you and I

Your life is short, my love
This night is dead, my love

Ajajajja bola de pendejos, pinches gabachos diciendo que hablan
español y no pueden entender "mi amor te espero esta noche sol
o tu y yo" jaja en fin buena rola!
