Such A Lovely Thing

It's an elusive thing
This love of which you sing
What are we doing
What are we doing?
I will give you anything
Just please don't stop singing
The world will stop spinning round

You're such a lovely thing But there is ice forming Upon your pretty wings What are you protecting? I'll give you everything And you could wear this ring But you only love me You only love me when I'm leaving You only love me cause I'm leaving You only love me when I'm leaving You only love me cause I'm leaving

You're such a lovely thing But there is ice forming Upon your pretty wings Why are you lying? I will give you anything Just please don't stop singing The world will stop spinning round

It's an elusive thing This love of which you sing What are we doing What are we doing here? And I will give you anything And you could wear my ring But you only love me You only love me when I'm leaving You only love me cause I'm leaving you You only love me cause I'm leaving You only love me when I'm leaving here with you
