

Coppers In Force

Devotchkas

Coppers in Force

Coppers are out in force tonight
Better look out, better keep em in sight
Don't know what they'll bust us for
Doesn't really matter, you'll be out the door

Coppers are out
Coppers are out
Coppers are out in force tonight

Piss on them for the shit they cause
Fuck 'em all for their fucked up laws
Doesn't matter what you say
You're always on the wrong & Now it's your time to pay
