

Chalk Em Out

Devour

FothDimen on the beat

I'm just mobbin'
Down the street
Feelin' hungry
Time to eat
At the burger joint
And da enemies
But I'm good
Got a burner on me
Bitch
Why you blowin' up my phone
You ain't my main hoe
Chase bank
Only thing
I ever chase hoe
Move smooth
Momma raised no pendejo
Keep an all black nine by my wuevos
I'm going in I ain't never gon' stop now
One way yea I'm heading to the top now
Gon' spray you can get your ass chalked out
You wanna fight me get your ass knocked out

Yea

I came a long way from trappin' out the house
Found my burner in the house
So my momma kicked me out yea
Yea they know what I'm about
Run up on me
I just chalk 'em out
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
That's what I'm bout tho

I'm getting to it
Never slowin'
I go in like you left the door open
That's your bitch what she hoein'
But you save hoes boy you heroic
If you owe me money better pay me
I be getting to the bands on a daily
Have I ever felt love yea maybe
Ever fell in love with you bitch
You sound crazy
But I'm cool now calm and collective
Running my city
I'm the one they elected
Keep it G
I really do it for the kids
For the kids that ain't never had shit

I came a long way from trappin' out the house
Found my burner in the house

So my momma kicked me out yea
Yea they know what I'm about
Run up on me
I just chalk 'em out
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
That's what I'm bout tho

When I was younger
Bro we used to share clothes
Shoes shirts pants
From my big bros
Momma's broke
So we couldn't get our own
But now I throw it off stage
At the shows
Shit is nothing boy
I'm just trying to give back
Cause I come from a city
No money no dads
I had a step dad but he treat me bad
So when I got older boy I beat his ass
I'm tryna set a few examples
You need work I can serve you up a sample
Quit telling all these people that you know me
I got family boy don't got homies

Yea

I came a long way from trappin' out the house
Found my burner in the house
So my momma kicked me out yea
Yea they know what I'm about
Run up on me
I just chalk 'em out
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
I just chalk 'em out, chalk 'em out tho
That's what I'm bout tho
