Devour

I'm feelin shhhwaggyyyy  
Everytime I walk up in the buildin'  
Where's the bottle Ima kill it  
Cause I woke up in my feelin's  
I'm on the run I'm boutta fight a life sentence  
I can't take itttttttttt  
Ionnnonn know shit  
All I know shit all I know is ima make it  
Boy I'm tired of fighting cases  
Got these niggas writing statements  
I ain't talkin' boutta page I'm talkin' bout pages  
Always kept it solid you ain't never seen me fold  
Fina hit the skrippp and catch a vibe who tryna go  
Got me going crayzie how she workin on the pole  
I just paroled I needa see you later on  
And fuck her from the back while I'm grippin on her throat  
(On her throat)  
She tell me she ain't never met somebody like me befo'  
(Before)

You be on the internet  
You ain't wit what I'm wit  
Shhhmoke I'm wit all of it

Cause listen I been down so long oh no but I'll never give up
