

Phases

Devour

Yea

Done with these fake street games time to switch it up

Yea

Look

Been through a lot of shit you can't think of
Boy I been through shit that people dream of
Came a long way from rocking fake Filas
I blame my momma though for the fake Filas
But its all good though cus them shits look the same
Tell me what you know about section eight
And my momma no she ain't from the states
Crossed the border got caught with a baby on the way

Yea

And she can tell when she was pregnant
Momma never folded never stressed it
Yea
I get my ways from my momma
Never had a pops I was raised by momma
Shit
Momma assisted all my brothers to
Yea we rolling deep when we come for you
Yea 10 boys 5 girls yea the clan roll deep
Welcome to my world fuck boy

Everywhere I go yea you know you see me with the same faces
Cus them same faces been there through all of my phases

Yea I got love where I'm from but Wolf Clan what I'm ganging
Yea I got love in my hood but Wolf Clan what I'm ganging

Everywhere I go yea you know you see me with the same faces
Cus them same faces been there through all of my phases

Yea I got love where I'm from but Wolf Clan what I'm ganging
Yea I got love in my hood but Wolf Clan be my gang bitch

Switch it up
Your music trash and you a rat
Give it up
But I'm just tryna get the bag and live it up
Done with these fake street games time to Switch it up

Switch it up
Switch it up
Yea I got to
If we share the same blood yea I got you
When I was locked down or in the hospital
Who was there blood family not you
That's when you know who your real ones are
Not only when you shinning but when shit get dark (Get dark)

Huh

Ain't shit you can say boy I've been through it all that's why I live this w
ay
I'm getting paid I'm getting right to them commas
My first check I gave it right to my momma
My momma sick type two diabetes
Going hard because my momma yea she needs me
Yea the people too city too into you
Talk behind somebody's back shit that I don't do
I'm a leader fuck I look like tryna follow you
Now I mix designer like Patron with some Mountain Dew

Aye

I'm getting paid I'm getting right to the feedie
Going dumb like I'm Ed from Ed Edd n Eddy
Finna take over the world if God let me
From my people turn the dough to confetti

Everywhere I go yea you know you see me with the same faces
Cus them same faces been there through all of my phases

Yea I got love where I'm from but Wolf Clan what I'm ganging
Yea I got love in my hood but Wolf Clan what I'm ganging

Everywhere I go yea you know you see me with the same faces
Cus them same faces been there through all of my phases

Yea I got love where I'm from but Wolf Clan what I'm ganging
Yea I got love in my hood but Wolf Clan be my gang bitch
