

Raw Shit

Devour

Look
I be that microphone killa
Waddle whip, gripper
See me mashin down yo block pussy better get up
Mothafuckin AK cause noone can stop me
You rapper all pussies, I see that your spoting (uh)
A captain like hook
The words that I write bring me paper like a book
Trynna build myself a castle and fill it up with crooks
Finna change my name to tazor, cause I leave they ass shook
(Now let me cook)
Got the flick of the wrist, no chief
Kickin' flavor in yo ear that will leave your ass deaf
For the bread that id be aiming for your loaf dej
Fuck with me then I'll leave them dead press
(Blowh)
Nobody do it like me hoe
(Blowh)
A telescope couldn't see hoe
(Blowh)
Let off a clip then reload
I do it for the king cause I live by the G code

This is that raw shit this is
This is that raw shit this is
This is that hold em' off a bridge let em' fall shit
This is that pull it from the hip shoot em' all shit
This is that make you go bomb shit
This is that raw shit
This is that raw shit
This is that fuck everybody, fuck em all shit
This is that fuck you I do what I want shit
This is that raw shit
This is that raw shit

When I come, imma come in full effect mothafucka
You better have my check mothafucka
If you don't ya better protect your neck mothafucka
Like fuck master hit, drop and flex mothafucka
Cause this is that raw shit
Cause this is that raw shit
That ol' dirty bastard shimmy shimmy ya shit
Pushin fuck boys around mosh pit
If they false, step on them, dog shit
Skelies in my closet, I only have zero
Kill them all with the pinge shoot them all like some berow
Punk you for your shit that's how I got the name debo throw em in the back f
or the cheese doritos

When I come, imma come in full effect mothafucka
When I come, imma come in full effect mothafucka
When I come, imma come in full effect mothafucka
When I come, imma come in full effect mothafucka
This that raw shit
This that raw shit
This is that hold em' off a bridge let em' fall shit
This is that pull it from the hip shoot em' all shit

This is that make you go bomb shit
This is that raw shit
This is that raw shit
This is that fuck everybody, fuck em all shit
This is that fuck you I do what I want shit
This is that raw shit
This is that raw shit
