

Fucked To Death

Devourment

I'm sick of looking at these filthy ass fucking slobs
I need some slit to satisfy my dirty cock and if these pigs don't give it up
ill have to get my knife
Or stick a glock to their temple and say "give yourself to me" These urges
are controlling me
I need a cunt around my dick
I need fresh blood
The voices tell me to kill

I creep in search of victims for my lustful needs
I find one and stab her repeatedly
Then drag the blood soaked victim deep into the woods I strip her, no' one
hears her screams
I beat her, I smash my fist in her face
Please kill me she says while breathing her last breath
I clutch my blade with all my might, stab her in the fucking guts

Now the fuckin' fun will begin
I slide my hard cock right in
What a feeling it is
to feel her still warm dead skin
Her limp body still bleeds profusely
with my knife I slice her pretty face,
I cant stop laughing.

My blood drenched cock is pounding so hard
It tears up the skin on my dick
Now my blood is mixed in with this fuckin' filthy diseased dead bitch
I breathe heavy, mouth is open
By mistake I swallow blood, I have an idea
The blood gave me a jolt of new pleasure (in this blood)
I then take a chunk from her face and tear skin exposing bone (her skin
ripping)
Chunks dripping from my chin
I will eat her cunt next

Spread open your legs (2x)
I slide in my wet blade
My dick is so hard my skin is ripping
Her blood sprays in the air like a fountain
Never in my life have I felt such pleasure
My heart is pounding
Killing is what I'm made for

Now I am full, another idea
I must take shit on this fuckin' bitch
I let one fly onto her face
I then lean down and kiss this bitch
The smell is insane, shit flows in my veins
It matters not, my cock is now hard again
I jerk off with shit on my hands
Lust still fills me, in time ill do this again
Again I must kill again (4x)
