

# Boys Don't Cry

Devvon Terrell

Haha, okay

Fuck, fuck, fuck  
Don't want you to see me cry  
You'll never hear this on the radio  
'Cause when it's live, boys don't cry, oh  
Now you got me in my feelings  
I'm feeling like I wanna die  
And it's all your fault  
Oh, I hate you, I love you  
I don't want my friends  
Seeing me in this life (No, no, no, no, no, no)

But I'm gon' shine this little light of mine  
Will blind you from what I'm really feeling inside  
Fuck, fuck, fuck, cursing 'cause  
I don't want it on the radio playing 'cause

Boys don't cry  
Boys don't cry  
Boys don't cry  
You'll never see that side  
Of me, of me, of me

I can't believe I'm confessing  
I learned my lesson, oh  
Every time that I look in the mirror (Mirror)  
I tend to question myself  
Don't change the fact that I'm just there  
Hurting you, I never knew you would leave  
Now I'm going through the motions  
Begging to get back to you, you, you, you  
I'm hurting more than you'll ever know, ever know  
It'll never show

But I'm gon' shine this little light of mine  
Will blind you from what I'm really feeling inside  
Fuck, fuck, fuck, cursing 'cause  
I don't want it on the radio playing 'cause

Boys don't cry  
Boys don't cry  
Boys don't cry  
You'll never see that side  
Of me, of me

Oh, oh, all this time  
I was blind to what we been through  
And I don't wanna lose you  
Emotional, but we both know

Boys don't cry  
Boys don't cry  
Boys don't cry  
You'll never see that side  
Of me, of me, of me
