

Call Me

Devvon Terrell

I wan't you to call me
Hit me when you're all alone baby
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me
Hit me when you're all alone
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me
Hit me when you're all alone
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me

Whatcha trying do now
Whatcha trying do now
All my friends telling me to stay away from you
But what you do to make them feel that way
Its probably cause they couldn't have you
And I'm so so so close
And I ain't tryin' prove them wrong
I'm tryin' do you right
I'm trying to be that nigga you call when you feel
Lonely at night
Wearing shit that I like
Know you wan't something to drink
You don't want nothing clear nothing pink
Hennessey's a friend to me
Takes me places I want to be
Got that shit on my side
Cause on the other we riding ubers like shooters
Shawty let's do this
You know I do this
You don't do no shit like this for everyone so

I wan't you to call me
Hit me when you're all alone
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me
Hit me when you're all alone
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me

Girl you are a blessing
That's why I be flexing
I be bragging all to all my friends
Talkin' about you
Ah yeah, ah yeah you ain't going no where
Cause I don't really see ourselves with no one else
Girls you like hard to find
You call me I'm switching my lineup
Don't worry about the timing I don't care if its late
Cause if I come through
Then you call it now
I want you to myself

No don't slow down
Seeing me which you don't care if they hatin
Our shit is priceless
They can't afford us
Riding around all through the city while they fuss
We belong here while they lookin' like Torus, yeah
That the shit that we be on
All you got to do is ring my phone
Ring my phone

I wan't you to call me
Hit me when you're all alone
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me
Hit me when you're all alone
I wan't you to call me
It don't matter if its early in the mornin'
I wan't you to call me
