

Dont Give Up On Me

Devvon Terrell

I'm trying not to give up on me
I said I want it all
But look what it came with
It haunts me every morning, at night
Did I want this for my life
I can't remember why I follow my dreams

Cause if it was easy, it wouldn't be worth it
And every step I take, the road looks longer
Every time I feel so close
I find out there's so much to go
I'm tryna tell myself, keep fighting

And don't give up on me
I gotta tell myself, don't give up on me
I gotta tell myself, oh, don't give up on me
On me, on me, on me, on me
I gotta tell myself, don't give up on me

(Don't give up, don't give up)
Don't give up on me
(Don't give up, don't give up)

Look at everything that happened to me
What happened to me
It can't just be for nothing
Look where I came from
It haunts me every morning and night
Did I want this for my life?
I can't remember why I follow my dreams

Cause if it was easy, it wouldn't be worth it
And every step I take, the road gets longer
Every time I feel so close
I find out it's so much to go
Tryna tell myself keep fighting

And don't give up on me
I gotta tell myself, don't give up on me
I gotta tell myself, oh, don't give up on me
On me, on me, on me, on me
I gotta tell myself, don't give up on me

(Don't give up, don't give up)
Don't give up on me
(Don't give up, don't give up)
(Don't give up, don't give up)
Don't give up on me
(Don't give up, don't give up)

I am deserving of a life filled with love, joy, and fulfillment
