Get On

Devvon Terrell

Shawty wanna take
She like where I'm at
She said I her maybe ending up
Said you fucking with a wrong one
Be a Romeo be my Juliet
Got a nigga coming to the crib what you wanna do now

Get up get up get something
Never let a nigger know you're over
Baby girl lets do something
Anything to get you on

Girl get on get on get on get on
Girl get on get on get on get on

Shawty if you call I'm on my way
I'm really hoping you know this is just what you started
Same shit new day
The way that he treating you girl is on and on
I know I know you ain't been right
Wasting your time fucking with this guy
Give me the time and I'll do you right
Let me put on you with some baby
And my world will be your body (so give it up)
And everyday will be a party (so give it up)
Oh baby girl you know I'm ballin (so give it up)
Girl let me do my thing
I could go on and on about you
I know he can't do what I do
Baby is that you

Shawty wanna take
She like where I'm at
She said I her maybe ending up
Said you fucking with a wrong one
Be a Romeo be my Juliet
Got a nigga coming to the crib what you wanna do now

Get up get up get something
Never let a nigger know you're over
Baby girl lets do something
Anything to get you on

Girl get on get on get on get on
Girl get on get on get on get on

If you talk a bunch of shit then we can run it
Oh I need you baby I keep it 100
I ain't rushing you wit nothing. Nah I ain't frontin
I just want to get you on my side in time
I know I know you ain't been right
Wasting your time fucking with this guy
Give me the time and I'll do you right
Let me put on you with some baby
And my world will be your body (so give it up)
