

Go Ahead

Devvon Terrell

Who said that we got nothing but time?
I was just 16, now I barely get high
I know that time is not on my side
I just wanna be that kid tonight

So we're livin' right now, yeah
Like we runnin' this town, yeah
Give us room to go crazy
Don't know where this gon' take me
But that's the G
I'm worried about who I'm becoming
It's all on and I can make it better
I said maybe it's the time to get up
Don't know how to do this

Tell me how to go about this
It's been forever, I don't know about this
Will I fall? Am I floating?
Cause I don't really know where I'm going
Now I'm tryna run these streets
They lookin' like that ain't me
But tonight I'm young and free
I just wanna let go, I'm livin'

Go ahead now, go ahead now, go ahead
Go ahead now, go ahead now, go ahead
Go ahead now, go ahead now, go ahead
Go ahead now, go ahead now, go ahead

Nobody gonna tell me
Who to be this time, yeah
Steppin' out of line, yeah
I don't wanna be stuck
In the daily routine of
Wakin' up and just
Workin' 9 to that five
Cause the clock is tickin'
The older I get I
Just want to feel alive

And I'm worried bout who I'm becomin'
I'm so alone and I can't make it better
I said, maybe, it's the time to get up
Don't know how to do this

Tell me how to go about this
It's been forever, I don't know about this
Will I fall? Am I floating?
Cause I don't really know where I'm going
Now I'm tryna run these streets
They lookin' like that ain't me
But tonight I'm young and free
I just wanna let go, I'm livin'

Go ahead now, go ahead now, go ahead
Go ahead now, go ahead now, go ahead
Go ahead now, go ahead now, go ahead

Go ahead now, go ahead now, go ahead

I just wanna be that kid tonight
I just wanna be that kid tonight
