

# Homewrecker

Devvon Terrell

Hey, just calling to see where you're at  
We leaving the club, so let me know

Why didn't I know you had somebody?  
Proposals all on your timeline with someone else  
I can't lie, I'm confused baby  
'Cause you was just talking crazy to me in dms  
It all makes sense now 'cause  
I never been to your house  
Never answer your phone when we outside chilling, yeah  
To say I'm jealous is an understatement  
If I leave a comment, that's a fucking statement  
But I'm not one to be petty tho  
Hold up

Still I'm getting texts to my phone  
Still telling me when you're all alone yeah, crazy  
I don't know if I could continue, this shit is wild to me  
You hid all of this for a while from me  
You said yes to him and still for me to come through  
Tryna fuck with me when clearly homie love you  
I don't know if it's easy to let my morals down  
But I'm conflicted 'cause it's the perfect setup  
Baby, am I a homewrecker?

I'ma huff, I'ma puff, I'ma blow this whole place down  
Am I a homewrecker, yeah?  
I'm conflicted but addicted and it's driving me crazy  
Am I a homewrecker?  
I'ma huff, I'ma puff, I'ma blow this whole place down  
Am I a homewrecker, yeah?  
I'm conflicted but addicted and it's driving me crazy  
Am I a homewrecker?

I just wanna know why you still wanna mess with me  
'Cause I'm never saying much, I'm just someone you fuck with on a daily  
Now I must be catching feelings for you  
'Cause when you calling girl I don't ignore you  
Can you at least tell me your reasoning behind it?  
I know we gon' stop it and go back to just being friends  
Hold up

Still I'm getting texts to my phone, yeah  
Still telling me when you're all alone yeah, crazy  
I don't know if I could continue, this shit is wild to me  
You hid all of this for a while from me  
You said yes to him and still for me to come through  
Tryna fuck with me when clearly homie love you  
I don't know if it's easy to let my morals down  
But I'm conflicted 'cause it's the perfect setup  
Baby am I a homewrecker?

I'ma huff, I'ma puff, I'ma blow this whole place down  
Am I a homewrecker yeah?  
I'm conflicted but addicted and it's driving me crazy  
Am I a homewrecker?

Am I a homewrecker yeah?
