

Honeymoon Phase

Devvon Terrell

This situation is so brand new
I wanna tell everyone about ya
I can't get enough of you
But we both know this feeling, cause it isn't the first time
That you had a nigga hit you with that good morning text
When I'm laying wit you and I tell you it's more than sex
Do we mean everything we say? (Ah)
Is this the real thing or just a phase?

Whatever it is, oh girl I'm cool with it
Ain't seen this smile on my face for a while
And I know that this is the beginning of an end here
Before we're a different version of ourselves but

It's ok, it's ok, it's ok, it's ok
Let's have fun (Let's have fun)
Oh, and it's ok, it's ok, it's ok, it's ok
Cause we young baby (We young)
Oh it's that honeymoon phase yea
Where everything is just great yea
It's the honeymoon phase yea
I'm praying that it don't change
But it got to, don't it?

Now I know we both know what we gettin' into
Cause when it's early, are the feelings real or physical
And I don't wanna worry bout how this could end
I can't see us having convos like we're better as friends
So I'll keep hitting you with good morning texts
Girl I seen 'em all and I know that it's more than sex
And I mean everything I say (say)
I hope it's the real thing and it's not a phase but

Whatever it is, girl I'm cool with it
Ain't had this smile on my face for a while
I don't know if this is the beginning of an end here
Before we're a different version of ourselves but

It's ok, it's ok, it's ok, it's ok
Let's have fun (Let's have fun)
Oh, girl it's ok, it's ok, it's ok, it's ok
Cause we young baby (We young)
Oh it's that honeymoon phase yea
Where everything is just great yea
It's the honeymoon phase yea
I'm praying that it don't change
But it got to, don't it?
