

# I Can't Wait

Devvon Terrell

I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait no  
I can't wait no

Some of ya'll really be sick of me  
Lookin' at me like the enemy  
I ain't do shit and you know it  
If you we're captain of your shit you should be rollin'  
Where are we goin' now  
I'm gonna have it all over -I'm not sure about this-  
Know I'm not there I don't know how  
I'm a couple inches from a thousand miles  
You know I'm runnin' this shit  
You busy flicking your wrist  
I'm out here trying to get mamma a crib  
All of you nigga degenerates  
Bring you the macho like Ellen do  
Runnin' or chase it  
I'm a still catch you like Freddy or Jason  
I don't know none of these faces  
Who is the fruit who was hatin'  
I'm a line them up and cut em like shaken

Nana na na na nana na na  
Get them away from me  
Get them away from me  
Nana na na na nana na na  
I just can't wait  
Can't wait

I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait no  
I can't wait no oh  
I can't wait, I can't wait, I can't wait no  
I can't wait, I can't wait, I can't wait no  
I can't wait, I can't wait, I can't wait no  
I can't wait no  
I can't wait no

Lately I've been so confused or  
I don't know what I should do  
Fuck playing by all these rules  
Ain't nobody coming to save us  
So I'm a do this shit my way  
I started this so now I got to finish  
Haters be trying to end it  
They wanna take what we deserve  
Like we Hillary Clinton  
No no no not gonna end up like that  
I'm going to keep hitting them back to back  
I'm here forever and y'all disappear like a snapchat

Nana na na na nana na na

Get them away from me  
Get them away from me  
Nana na na na nana na na  
I just can't wait  
Can't wait

I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait no  
I can't wait no oh  
I can't wait, I can't wait, I can't wait no  
I can't wait, I can't wait, I can't wait no  
I can't wait, I can't wait, I can't wait no  
I can't wait no  
I can't wait no

Not many people I trust  
Cause there's not many people like us  
My circle is small period  
They get in my line and I write them all  
Young but I'm not a dumb one  
Smarter then some of the old ones  
You not even remotely close to me  
So how the hell you gonna control some  
I ain't changing up for no one  
No I don't lie if I got it  
Man I can't stand a nigga that be braggin'  
About things that he don't even got it  
Yeah that ain't me by a long shot  
I'm so cool call me collective  
I work hard play hard too  
Stay humble I can never lose

I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wait  
I can't wait no  
I can't wait no oh  
I can't wait, I can't wait, I can't wait no  
I can't wait, I can't wait, I can't wait no  
I can't wait, I can't wait, I can't wait no  
I can't wait no  
I can't wait no
