

# I Forgot Your Birthday

Devvon Terrell

I forgot your birthday  
I just let it pass me by  
I forgot to buy you flowers  
I didn't mean to make you cry  
I know you think its something deeper  
It was really just my time  
It don't mean that I don't love you  
Its just a lot that's on my mind

Know that I told you that we're just fine  
Tryna pretend and having a hard time  
Lately I been hiding everything  
To make you smile  
I know usually that I go hard  
When we go on vacation  
Its all five stars  
But right now  
All I got to my name is you

These are my worst days  
And I don't know if you'll stay  
Hold it down and look the other way  
Cause I know that you can do much better  
I'm sorry that you here with me  
I promised you what we would be  
And look at me now I failed you  
I'm hoping you don't walk away

I'm sorry, I forgot your birthday  
I forgot your birthday  
I forgot your birthday  
I forgot your birthday, I'm sorry

I didn't mean nothing with it  
Shorty you leaving and I really get it  
Cause you ain't sign up for this type of life you had a vision  
Imagine what you telling all your family and your friends  
Know that they don't see you posting nothing on the gram  
And that's my fault  
You so fucking dope  
You make excuses on my part  
And you shouldn't have to  
Want you to brag about me  
Like he got it for me but  
Now you feeling so ashamed

Know you can't afford this  
Clock ticking on the wall  
Need to find somebody  
To catch you when you fall  
And I want that for you  
We'll never be forever young, yea  
Even if I'm here all alone  
I wanna see you doing great  
Hoping that you stay but

I forgot your birthday

I forgot your birthday, sorry  
I forgot your birthday, I'm sorry  
I forgot your birthday, I'm sorry

So sorry, so sorry, yea  
I hope you forgive me, yea  
Happy birthday  
I'm sorry
