

# I Like It

Devvon Terrell

Ain't no night, like a young God night

Same shit, new day, fuck around, just got paid  
Wanna feel this everyday? Imma live my life my way, because  
I like it, when you see my team is winning  
I like it, knowing it's only the beginning

My niggas don't got no needs  
Sit and watch, you can do that for free, yeah  
That's your shorty, but we make her go long, go long  
Good beef, that filet mignon  
She living good and I don't think she wanna come home  
And we don't try to be them boys, but tell me what you want

We could beat a nigga on our worst day  
Shitting on you in the club, nigga, no birthday, replay  
Everyday's a god damn movie  
Bunch of superstars, lights camera action, never losing  
If you know that you ain't no hater  
And you ain't worried 'bout the next man paper  
See you at the top, don't tell nobody wait up  
I'm feeling like I need everyone to know

Same shit, new day, fuck around, just got paid  
Wanna feel this everyday? Imma live my life my way, because  
I like it, when you see my team is winning  
I like it, knowing it's only the beginning

Uh, okay, tell me where niggas started  
All the friends I used to have were quickly dearly departed  
Calling me cold hearted, sold it to me, I bought it  
Bullshitting, saying you're down, your syndrome is so retarded  
But it's cool, you know what I like  
Doing all the god damn things I like  
Can you feel that, Prada, Gucci, Chanel  
Bragging you went to jail, you fictitious with your issues  
And all the things that you claim, but

We could beat a nigga on our worst day  
Shitting on you in the club, nigga, no birthday, replay  
Everyday's a god damn movie  
Bunch of superstars, lights camera action, never losing  
If you know that you ain't no hater  
And you ain't worried 'bout the next man paper  
See you at the top, don't tell nobody wait up  
I'm feeling like I need everyone to know

Same shit, new day, fuck around, just got paid  
Wanna feel this everyday? Imma live my life my way, because  
I like it, when you see my team is winning  
I like it, knowing it's only the beginning

Put your hands in the air, put your hands in the air  
Put your hands in the air, put your hands in the air  
My team so strong, my circle so tight  
Ain't no night, like a young God night  
My team so strong, my circle so tight

Ain't no night, like a young God night

Same shit, new day, fuck around, just got paid
