

I Like It

Devvon Terrell

Ain't no night, like a young God night

Same shit, new day, fuck around, just got paid
Wanna feel this everyday? Imma live my life my way, because
I like it, when you see my team is winning
I like it, knowing it's only the beginning

My niggas don't got no needs
Sit and watch, you can do that for free, yeah
That's your shorty, but we make her go long, go long
Good beef, that filet mignon
She living good and I don't think she wanna come home
And we don't try to be them boys, but tell me what you want

We could beat a nigga on our worst day
Shitting on you in the club, no, no birthday, replay
Everyday's a god damn movie
Bunch of superstars, lights camera action, never losing
If you know that you ain't no hater
And you ain't worried 'bout the next man paper
See you at the top, don't tell nobody wait up
I'm feeling like I need everyone to know

Hah, same shit, new day, though
Killing these bitches, get them winx in the A low
Shorty from my city, now she living in Barbados
Got a face like she bad, got a ass like J.Lo
Young God night, getting wavy with my hitters
Couple white bitches, getting wasted of the liquor
She heard they call me Kazzie, now she tryna sip [?]
Mama waiting in the lobby, [?]
Imma live my life cause I love it, fuck it
The bitch say she love you don't trust it, trust me
[?] getting cake with my niggas
Day one and if she ain't tryna fuck, man, she can't come, for real
Hood stoners in this bitch, so they listen
New day, getting paid, ain't a damn thing different, cause it's...

Put your hands in the air, put your hands in the air
Put your hands in the air, put your hands in the air
My team so strong, my circle so tight
Ain't no night, like a young God night
My team so strong, my circle so tight
Ain't no night, like a young God night
