

Its Not Complicated

Devvon Terrell

You just different
Lately I been seeing who I'm with
You the one that fit
I can feel your vibe them other girls is really clip
If you giving me the job baby I will never quit
I'm here
And baby I keep it real with you
I'm one of them dudes that just know how to deal with you
Call you complicated hella jaded
If it goes above 80 degrees we getting hella faded
I get it

Day parties and brunches is what you want
Just good fits and chill shit is what you on
I can't believe that I'm about to say this
But baby, if I'm messing with you

Its not complicated
You just need somebody that cab really perform here
Its not complicated
We can cut it girl I'm moving with no fear
Its not complicated
You just need somebody that can really perform here
Its not complicated, no no
Its not complicated

I can pull up on you in the evening
When you tell me go girl I'm leaving
If you want me to stay girl then say the word
I'm not them other dudes I know how it works
You don't want no surprises
Flowers to your job is not what you advising
You just want somebody with a vibe and an apartment
And on occasion you gonna want a ride
I know what time you

Day parties and brunches is what you want
Just good fits and chill shit is what you on
I can't believe that I'm about to say this
But baby, if I'm messing with you

Its not complicated
You just need somebody that cab really perform here
Its not complicated
We can cut it girl I'm moving with no fear
Its not complicated
You just need somebody that can really perform here
Its not complicated, no no
