

# Karma

Devvon Terrell

Yeah, yeah  
Yeah, yeah  
Oh, oh, oh  
Yeah, yeah  
Yeah, yeah  
Oh, uh

You told me one day you'd get your revenge  
Now I'm here stressing your words right again  
Tell me who sent you to fuck up my life  
Was this all in your plan to break me down and cry?

And I wanna mention  
I was doing so good before you entered my present, yeah  
And I wanna mention  
I never thought that my past would catch up to me  
But here we are  
Gazing the stars  
Lost in this space, and I'm floating away  
You are deserving  
I wasn't perfect  
Thought you forgot about me, but you caught up

Oh, that's karma  
You can run, you can hide  
But somehow she's still gonna find ya  
Oh, that's karma  
You can run, you can hide  
But I know she's still gonna find her  
Karma

You told me one day you'd be on my side  
Now I'm here stuck in the fight of my life  
I knew my pride wouldn't let me see that  
I was foolish and clueless and so immature

And I wanna mention  
I was doing so good before you entered my present, yeah  
And I wanna mention  
I never thought that my past would catch up to me, yeah  
But here we are  
Gazing the stars  
Lost in this space, and I'm floating away  
You are deserving  
I wasn't perfect  
Thought you forgot about me, but you caught up

Oh, that's karma  
You can run, you can hide  
But somehow she's still gonna find ya  
Oh, that's karma  
You can run, you can hide  
But I know she's still gonna find her  
Oh, that's karma

The rings, boy, they go through 'cause Dev had two of 'em with him  
Dev had two girls

What? He had two girls like on the side?  
Yeah, two girls on the side  
Dev with-  
Dev with-, tell 'em right, Dev, tell 'em
