

Know Better

Devvon Terrell

I be complaining about my life sometimes
But when I see it from the outside looking in
I know that I got more than most
Still looking for revenge
My job just be a lot sometimes
All my friends just always wanting something
But I'm glad for both
Cause without them there's no me

So give me the good with the bad times
Found my joy within the sad times
Can see the light cause the darkest days
Help me recognize this place
Sometimes you gotta just appreciate
Your problems and the journey
Still complain deep down it hurts me
Every time I say I'm fed up

You got to know better
You got to know better
Better
You got to know better
You got to know better
Better

I got everything I need
Still so many things I want for me
But I don't know how long I can pretend
Cause I want better than I have
I want more but I feel sad
Because somebody got less than me

Give me the good with the bad times
Found my joy within the sad times
Can see the light cause the darkest days
Help me recognize this place
Sometimes you gotta just appreciate
Your problems and the journey
Still complain deep down it hurts me
Every time I say I'm fed up

You got to know better
You got to know better
Better
You got to know better
You got to know better
Better

I don't wanna take my life for granted
Don't wanna stay the same
I know what life could be
So tell me am I wrong for wanting more
I'm not the only one, I'm fighting for
There's so many people I got depending on me
I tell myself

You got to know better

You got to know better
Better, yeah
You got to know better
You got to know better
Better, yeah
(Oh)
