

# N.F.L.

Devvon Terrell

I've been holdin' back, not speakin' my mind  
Seein' this and that, and still I hold back  
Tryna mind my business, but I can't no more  
You put me in this place, now I gotta talk facts, yeah  
All these people talk behind my back, yeah  
Throwing subs up on the internet, yeah  
This the reason I can't mess with you, yeah  
I can be petty too  
Insane energy when you see me, yeah  
Why can't we be cool and not the enemy? (yeah)  
Let's just keep it real when we play the field, yeah  
'Cause what you do can not be taken back

No fake love  
You can keep it, I don't want to see it  
It's not real  
No fake love  
You can keep it, I don't want to see it if it's not real

I don't want no fake, yeah  
No fake, no fake love, yeah  
I don't want no fake, yeah  
No fake, no fake love, yeah

Tryna show me love when they see me, yeah  
Don't answer my phone like I'm in a meeting, yeah  
You wanna run a race that I'm leading  
If you only want to watch, please be seated  
I am so tired of fake  
People that don't know they place  
Steady, they judgin', not knowin' the case  
And if I have a problem, then you have a problem  
If this a pond then why I'm fish on the bait  
Pipe down, pipe down  
Let's not get too hyped now  
I want you to see I'm in control  
I want

No fake love  
You can keep it, I don't want to see it  
It's not real  
No fake love  
You can keep it, I don't want to see it if it's not real

I don't want no fake, yeah  
No fake, no fake love, yeah  
I don't want no fake, yeah  
No fake, no fake love, yeah
