Devvon Terrell

I am in the mood  
I got the juice, I pay my [?]  
Please don't @ me, tag me, throw no sub  
This a two on two  
Try to guard me, but I switch it up  
I got some different moves  
Same shit, new day, new friends, new bae  
You can't buy my style on eBay  
No, this is something new  
Whoa, you can't wear this shoe  
Yeah, I won't let you rise even in a Yeezy Boost  
Yeah, I moonwalk like M.J  
Miss no shots like M.J  
Take them to school like L.J  
Do this for style like Kim K  
What they gon' say?  
If I motivate, I get jump up out my way  
Be real and never fake  
I'm true talk in my ways  
Why you be frontin' like you got something you don't  
Come on

Tell your man right now  
I'm not with the hype now  
I do what I like now  
What you see is what you get from me

What it look like  
Yeah, everything is just what it look like  
Yeah, money in the bank  
That's a good life  
Yeah, everything I got is mine, no hype  
No hype, no hype  
What it look like

My light shine so bright

Yeah, my shit shine tonight  
Used to chill in the back, I was out of sight  
Now these niggas wishin' they can come  
And try and live my life  
Yeah, real nigga can't go back  
Ice on my neck, hold the check, the Patek  
Hold the flex, to the man, the game, and all rack  
Yeah, real nigga, they know that  
Came in the game with a bang [?]  
And then Dax always up on the track, track, track
