

Old Town Road

Devvon Terrell

Yeah, I'm gonna take my horses to the old town road
I'm gonna ride 'til I can't no more
I'm gonna take my horses to the old town road
I'm gonna ride 'til I can't no more

They always say they got my back
Tell me where they at?
This ain't Meek and Drizzy
I don't see no back to back
Get my eneimes away from me
All they do is hate on me
So imma do this all alone

And now can't nobody tell me nothin'
Nooo
And now can't nobody tell me nothin'

Yeah, I'm gonna take my horses to the old town road
I'm gonna ride 'til I can't no more
I'm gonna take my horses to the old town road
I'm gonna ride 'til I can't no more
