

# Playing With My Feelings

Devvon Terrell

I been feeling like the man awww yea  
You dont wanna get involved please  
You the one sitting in my room (yea)  
Came in the rain now and you wet wet  
Don't think hard just admit  
Start your car then you get in  
Trynna sleep? oh me neither  
Can't take off all these feelings we texting  
Then show up and we do nothing (whoa)  
I had plans for you  
You plans for me  
All on your body  
Let's make it a hobby yes

Why you playing with my feelings now feelings now feelings now  
Why you playing with my feelings now feelings now feelings now  
I just want to make your love come down  
Love come down love come down  
I just want to make your love come down  
Love come down love come down

Playing with my feelings (yea)  
Work to hard to never finish  
Playing with my feelings (yea)  
Work to hard just to start not to finish

You can front if you want too  
But I know that you want to  
This is the moment it's all you  
Tell me right now that you leaving  
I don't mind if you speeding  
So easy don't think hard just admit it  
Start your car then you get in  
Tryna sleep? oh me neither  
Can't take off all these feelings we texting  
Then show up and we do nothing (whoa)  
I got plans for you  
You plans for me  
All on your body  
Let's make it a hobby yes

Why you playing with my feelings now feelings now feelings now  
Why you playing with my feelings now feelings now feelings now  
I just want to make your love come down  
Love come down love come down  
I just want to make your love come down  
Love come down love come down

Playing with my feelings (yea)  
Work to hard to never finish  
Playing with my feelings (yea)  
Work to hard just to start not to finish (wayohh)

Ohh I been thinking about ya  
Ohh I been thinking about ya  
Tell me why we wasting time  
I'm just tryna keep it real

So tell me how you feel  
Just stop playing with  
My My My My My Feelings yea  
Can't you feel it now  
Can I have you now  
Can you hear my voice  
I ain't playing games with you  
I show you how  
Naaaaaoooooooooooo  
What we gonna do

Playing with my feelings (yea)  
Work to hard to never finish  
Playing with my feelings (yea)  
Work to hard just to start not to finish
