

Priceline

Devvon Terrell

Fine, okay, I love you, whatever
So what do you want to do now?
Cause I'm on the fucking internet
Looking at tickets to your hometown
And Pricelines got this deal
That'll fly me out right now
But it's just so fucking pointless
If you keep pulling me out and pushing me out

Give me all your demons
I really wanna meet them
I'm not afraid of feelings
Give me all your demons
I really wanna meet them

I get on the plane, what do you say
What do you say, what do you say, yeah
Cause we're both the same, I'm on the way
I'm on the way, I'm on the way now

Fine, okay, whatever
You love me, so what do we do now?
I'm fighting these feelings inside of me
Hoping that you never find me
I don't want you to meet the monster in me
I hear you knock on the door
But I won't give you the key

Give me all your demons
I really wanna meet them
I'm not afraid of feelings
Give me all your demons
I really wanna meet them

Why do you stay, why do you stay
Why do you stay, why do you stay?
Don't get on the plane, get on the plane
Get on the plane, get on the plane

I just see you different, you're really inside of my mind
I feel disconnected until you pull me back in time

So get on the plane, what do you say
What do you say, what do you say, now
Get on the plane, what do you say
What do you say, now

Give me all your demons
I really wanna meet them
I'm not afraid of feelings
Give me all your demons
I really wanna meet them
I'm not afraid of feelings
