

Rebound

Devvon Terrell

I believed you
When you told me that I was number one
I believed you
When you told me your ex and you were done
I believed you
When you told me don't worry about nothing
That wasn't true
And I believed that there was no one that could take you from me
I was wrong

I didn't know the bond you shared was so strong
Didn't know I was your rebound all along
I swear to God that I never knew he had a hold on you
And now I'm all alone; I need

You to look at me
Feelings I never get back
Oh, look at me
I said I want my heart back
Oh, look at me
I wanna know just why you picked me
To be your in-between

I was your rebound
Didn't know you would play around with me
I was your rebound
Didn't know you would play around with me
Okay like
Your rebound
Your rebound
Your rebound

I don't wanna just be your friend I love
You way too much to just give you up for me
Why wasn't I enough?
Was it something that I said I'm sorry?
Did you ever wonder how I felt?

Now look at me
Feelings I'll never give back
Oh, look at me
I said I want my heart back
Oh, look at me
Wanna know just why you picked me
To be your in-between

I was your rebound
Didn't know you would play around with me
I was your rebound
Didn't know you would play around with me
Okay like
Your rebound
Your rebound
Your rebound

I was your rebound
Didn't know you would play around with me

I was your rebound
Didn't know you would play around with me
Okay like
