Roxanne

Devvon Terrell

My name is Devvon Terrell
This is a R.A.W.E. session
You know the vibes

Roxanne, Roxanne
All she wanna do is party all night
God damn, Roxanne
Never gonna love me, but it's alright
She think I'm an asshole, she think I'm a player
She keep running back, though, only 'cause I pay up
Yeah, Roxanne, Roxanne
All she wanna do is party all night

Yeah, you know that I'm all about that action
I'm like a open book just pick your page and read
Said he do it better but you cappin', yeah
They see your visions but I always read that caption, yeah
I wanna play you all night like 2k
I know Iran from your life like WWIII
You know I want your vote no Russian
Cause you know that Iraq and I'm crazy like who sane
Where you wanna go
Let's do a hotel or an Airbnb, yeah
Get in this Uber or just Lyft with me, broke
She told me get off her line
I caught that tone faster than Amazon Prime

Roxanne, Roxanne
All she wanna do is party all night
God damn, Roxanne
Never gonna love me, but it's alright
She think I'm an asshole, she think I'm a player
She keep running back, though, only 'cause I pay up
Yeah, Roxanne, Roxanne
All she wanna do is party all night
