Sorry to bother you honey

Hey what's up  
Please don't judge me its one of those days  
I do not feel like going anywhere  
Its one of those days  
T shirt and a hoodie  
Inside so if you want to come you can  
No I'm not trynna judge you  
I'm not the only one trynna cuff you  
Ain't to many girls I know that's  
Swimming in your boat  
You don't let no corny nigga  
Swim up on your coast  
Soon as nigga know that we talk  
Call me the goat I flex but  
Imma play it cool  
Cause the shit is so fresh yea  
Don't wanna fuck it up  
I'm just trynna impress ya

Shorty be in the crib  
She don't like the club  
So imma bring a bottle and a the bud  
Insecurities give them all to me  
I don't want you to change  
Girl you move the way I do  
Do the things I do  
Think were one in the same  
I like simple girls  
That don't care what people like  
Simple girls  
Like to chill that's just my type  
It don't take much when you pull up  
I like those simple girls

Love that you keep it simple not got hold you  
Anytime you heading out  
You can turn the shit up  
Love it when you stunting in sweats  
Then you switch up  
Making sure they know you the goat  
Posting a pic then flex but  
You just play it cool  
You not trynna impress yea  
Don't wanna fuck it up oh I'm just trynna  
Get next to ya
