

Sneaky Link

Devvon Terrell

Yeah, yeah, yeah
Yeah, yeah, yeah

Have you seen my lady?
She left me 'bout a minute ago
She just left the crib after seeing my phone
I fucked up
Have you seen my lady?
She left and wearing oversized clothes
No hair and no makeup done, she just left and she closed the door (Ah)

Fuck
She got her purse, that mean she got her ID
So she can buy her favorite bottle of wine
And I probably know I won't be finding her on IG
'Cause she not on that type of time

She doing the sneaky link
She like, "Where you at? Where you been?"
She doing the sneaky link
She like, "Where you at? Where you been?" (Where you been?)
Have you seen her?
Have you seen her?
Have you seen her?
Have you seen her?

I know I made ya cry, didn't do it right, I was only thinking 'bout me
Now you go missing at night, don't even find no mark
Who is this nigga that you running with?
Know I deserve it but I just can't get you out of my mind
Are you fuckin' him to get me mad and just pass the time?
Tell me if you had him all along
Or you was waitin' for me to fuck up so you could pull the trigger
Fuck that nigga
He don't know your body like I do, let me prove to you
Fuck that nigga
Please, let me finish babe

Fuck
She got her purse, that mean she got her ID
So she can buy her favorite bottle of wine
And I probably know I won't be seeing her on IG
'Cause she not on that type of time

She doing the sneaky link
She like, "Where you at? Where you been?" (Have you seen her? Tell me have you seen her?)
She doing the sneaky link
She like, "Where you at? Where you been?" (Oh, tell me have you seen her?)
Have you seen her?
Have you seen her? (Tell me have you seen her?)
Have you seen her?
Have you seen her? (Oh, have you seen my baby?)

Have you seen her?
Have you seen her?
