

So Proud

Devvon Terrell

Oh girl I think I want you now
I wanna see what you about
Bomb chick with whomp whomp
If I get you, girl I'd be proud
So proud
Oh girl I want you here right now
(Right now)
I wanna see what you about
(About)
Bomb chick with whomp whomp
(Whomp whomp)
If I get you, girl I'd be proud
So proud

Thinkin that we should just go away
Girl like you gets everything
Know that you don't need it

Ok
Hate it, but you're never gonna stay

We'd be makin time for each other, like a mothafuckin play date
Always catchin red eye flights, I'm sleepin all day
So I can have the energy to get a replay
Gone for the week,
Know you love to see the city for the views, so I always get a room up high
Ridin on the west side, I know that you hate the traffic, but we always gett
ing there on time
You don't know what I be feelin
You don't know what I be feelin
Having you here, is like me having steak everyday
And the moment is good, but then my health is goin to Crohn's
One of my habits, I like it
You know that I know that you ain't no side chick
And I can't say we official,
But when you leave, I can't front girl, like I just don't miss you

I'll be in the front
Yeaaa
We don't gotta front
Yeaaa
And we don't gotta wait
I know
You what I know girl
Ain't no lame

Oh girl I think I want you now
I wanna see what you about
Bomb chick with whomp whomp
If I get you, girl I'd be proud
So proud
Oh girl I want you here right now
(Right now)
I wanna see what you about
(About)
Bomb chick with whomp whomp
(Whomp whomp)
If I get you, girl I'd be proud
