

Thank My Exes

Devvon Terrell

Now I know we've been hurt
Taken for granted
Beat and battered beyond a breath of our lives
Um hmm can I get a witness
But we are better now understand
That woman can't hurt you
And that man don't know what he lost
Now I got a young brother here
That's finally seeing the light
Brother Devvon can you come up here and share

Blessings shout out all my exes
I see now that I was headed in the wrong direction
Imma come up better take the stairs when you run up
It's my party gon' turn up
We still cool like what up yea

But I got a whole new swag yea
And I'm in a brand new bag yea, yea
You see me now oh yea I do this often
Taking trips lately I been on my shit
No baggage up on my hip
Baby this is all me
I ain't even mad at ya
Really I'm thankful thankful
Ya show me what I don't want
I need somebody real real
I learned my lesson yea
I got some scars, but baby if it wasn't for you
I'd probably be

Broke dead up in jail, giving you my last
Hurt down so depressed trynna make you laugh
Up now doing well everything is different now
If I didn't learn these lessons oh I wouldn't have these blessings

If I just knew what I knew now
I probably wouldn't feel the same way for you
Self-care and motivation that's my favorite fragrance
Wash the toxic off of me got new skin to play with
No more snakes in the grass, no more living this way
Never gon' let somebody go on and treat me this way
I learned my lesson now, I see through the bullshit
Watching every single person that I move with

But I got a whole new swag yea
And I'm in a brand new bag yea, yea
You see me now oh yea I do this often
Taking trips lately I been on my shit
No baggage up on my hip
Baby this is all me, listen
I ain't even mad at ya
But really I'm thankful thankful
Ya show me what I don't want
I need somebody real real
I learned my lesson yea
I got some scars, but baby if it wasn't for you

I'd probably be

Broke dead up in jail, giving you my last
Hurt down so depressed trynna make you laugh
Up now doing well everything is different now
If I didn't learn these lessons oh I wouldn't have these blessings
