

Week 4

Devvon Terrell

It found us, this imperfect timin', it
Will test everything that we building
I know that you didn't ask for this
Mentally broke, can't afford this
But right now I just appreciate you loving me

'Cause I put you through some things
Know that it's your choice to stay
We put petty things aside for each other, yeah
We don't know what's comin' next
Holdin' our heads and we scared to death
All I know is that it's better with you, yeah

And I don't wanna take nothin' for granted
Prayin' in the end that we will stand it
Goin' through the worst before we even see our best days

Can't you see I'm damaged? Yeah
And you can't find the pieces
'Cause I lost it on this road
Can't you see I'm damaged? Yeah
You still want me here I go
Can you live with how this goes?
Can't you see I'm damaged?

Floodin' with the sense of me
And this air we breathe as one
You here for me
And now I believe
That you might be the one

And I know it's been a short time
But I got me a crash course in you
And I know it's gonna take more time
I'ma leave this decision to you

'Cause I put you through some things
Know that it's your choice to stay
We put petty things aside for each other, yeah
We don't know what's comin' next
Holdin' our heads and we scared to death
All I know is that it's better with you, yeah

And I don't wanna take nothin' for granted
Prayin' in the end that we will stand it
Goin' through the worst before we even see our best days

Can't you see I'm damaged? Yeah
And you can't find the pieces
'Cause I lost it on this road
Can't you see I'm damaged? Yeah
You still want me here I go
Can you live with how this goes?
Can't you see I'm damaged?
