

## Be Good

Dexta Daps

If me girl ever give me a reason  
Me gone, me gone, with you  
If me girl ever give me a reason fi leave  
Me gone, me gone, with you  
Woo, woo, woo

If me gyal ever give me a reason fi leave her  
Baby, me gone with you  
If me man ever give me a reason fi leave him  
Baby, me gone with you  
Me gone with you, me gone with you  
Me pack up everything and move on with you  
If me girl ever give me a reason fi leave her  
Baby, me gone with you

Honestly, you mek me feel like being dishonest  
Cah you mek the sitn git up when it did a rest  
Me gyal think me would a fuck you now and she correct  
And right now me under sober  
Please stop it, me smell the liquor 'pon your breath  
You lie like  
Wonder how your woman put up with your wild life  
By right, me no fi a feel so cah me already have a man  
But me would a waan fi check you inna I night  
Alright

If me gyal ever give me a reason fi leave her  
Baby, me gone with you  
If me man ever give me a reason fi leave him  
Baby, me gone with you  
Me gone with you, me gone with you  
Me pack up everything and move on with you  
If me girl ever give me a reason fi leave her  
Baby, me gone with you

To how the thing a get, you have me man a fret  
And me no smoke, but me would a bun a pack a cigarette  
Then put a pic a we, 'pon the IG  
'Membra seh we deh ya now, tag everybody  
Well since a that  
Mek we do sopm weh add up to the rumours  
This is new, I wish you tell me likkle sooner  
Me and you fi hold a par, but everybody know me car  
So me a come fi pick you up inna Uber (ready)

If me gyal ever give me a reason fi leave her  
Baby, me gone with you  
If me man ever give me a reason fi leave him  
Baby, me gone with you  
Me gone with you, me gone with you  
Me pack up everything and move on with you  
If me girl ever give me a reason fi leave her  
Baby, me gone with you

I wanna be good,  
Ooh, and I wanna be bad  
I'm tryna be good

No, 'cause you gonna be bad  
Should I try, my mind's on it  
Oh, no hide from it  
I wanna be with you  
I wanna be good  
But you make it so hard

If your girl ever give you a reason fi cheat  
Then baby, me gone with you  
If your man ever give you a reason fi leave him  
Me gone with you  
Me gone with you, me gone with you  
Me pack up everything and move on with you  
If me girl ever give me a reason fi leave her  
Baby, me gone with you

If me man, ever give, me a reason, fi leave  
Me gone, me gone, with you (gone with you)  
If me girl, ever give, me a reason, fi leave  
Me gone, me gone, with you

If me gyal ever give me a reason fi leave her  
Baby, me gone with you  
If me man ever give me a reason fi leave him  
Baby, me gone with you  
Me gone with you, me gone with you  
Me pack up everything and move on with you  
If me girl ever give me a reason fi leave her  
Baby, me gone with you

(Baby, me gone, me gone with you)  
Me gone with you

Me say me ready, me ready, ready  
She no easy  
Mek me gwaan  
Hey [?] to me  
A you
