

Before You Leave

Dexta Daps

Woo
Woo, woo, woo
Oh, oh
Baby, me love you so much
Me wouldn't go deh so

She say, "How you lie so?"
But one little situation like this no fi a make you cry so
'Cause if you never waan me, and me never waan you
Five years just wouldn't fly by, so

Before you leave
'Member the evening we fuck inna the room
When you back it up good?
And you fling up your knees
Me couldn't believe say the house so full
To the amount you scream
When me slam out your thing, make you fan out your thing
You bring Vaseline like you plan out your thing
We memories inna da soft sofa deh
Baby, we nah go have weh we have on throw it away

So, leave us to me, you can't do pressure
How can you up and leave, when I can do better?
Maybe a some fuck you need
Just talk to me
Come inna the bed, me no really waan you cross with me

You no really waan know weh it do to me
When me cyaan see you (cyaan see you)
You no really know the 'mount of girls out deh
Weh would a waan be you (waan be you)
Me know you vex when you hear say that
"She did a gimme wha' deh 'pon pillow" ('pon pillow)
Nothing no go so, how me fi go deh so
When that a the cousin of fi you?

She say, "How you lie so?"
But one little situation like this no fi a make you cry so
'Cause if you never waan me, and me never waan you
Five years just wouldn't fly by, so

Leave us to me, you can't do pressure
How can you up and leave, when I can do better?
Maybe a some fuck you need
Just talk to me
Come inna the bed, me no really waan you cross with me

No matter how the problem big
One fuck can solve it (solve it)
You a stress the fuck out of the problem
When you need fi involve it (involve it)
Baby, me nah say it fix everything, but
Everything fix when the thing cum
How me fi deh yah so a watch you slim down
While you deh deh so a watch me income?

Leave us to me, you can't do pressure
How can we up and leave, we can do better
Maybe a some fuck you need
Just talk to me
Woo, woo, woo
Come inna the bed, me no really waan you
Cross with me (me, me, me)

How can we up and leave?
Maybe a some fuck she need
Woo, woo, woo, woo
Woo ooh, ooh, ooh..
