## Dexta Daps

Da tap da  
Da, da, da, da  
Sssssss

Da, da, da, da  
Da, da, da, da  
Sssssss  
Sssssss  
Seca

Now a the time fi we relax we mind  
Start pree rich cah we have to find  
Every likkle way fi we dig up the dime  
Cah badmind waan see we pick up the nine  
Opportunity a no fi we that design  
We see chances but we never big at the time  
So many place I could a been at the time  
Aaah, me figot me rhyme

But just sopm me a reminisce 'pon  
How me did blind to the enemies plan  
Dem heart waan dip up inna any bleach 'pon  
So me convert dem energy to many hit song  
Listen long fi you pin point any which one  
The whole a dem badder than eleven Tristan  
Remember the days when the devil did strong  
Thank God seh me ready fi me revelation

First show me do about sever patron  
Now me ram up every dance inna every nation  
Gyal a scream fi the team, penetration  
Black, white, everything, no segregation  
The place need rules and regulations  
Dem, promise we free education  
Please free the trees, no vegetation  
Cah we waan get high, elevation

Fi burn Babylon a fi we everyday plan  
Dem put every great man under interrogation  
See seh dem a try bruk we meditation  
Dem a force we fi run weh like every Haitian  
One bag a ticky, ticky, like fish pond  
Some bruk, some bad, you have many rich one  
Dem we do anything dem can benefit from  
Nah stay 'pon da topic deh 'cause a no diss song

Walk inna the ghetto weh you see a bare hand  
Pare wrong, pare gang  
PNN and JLP unno fi shake hand  
Share the same plan  
Me no know a weh unno a wait 'pon  
Positive move we deh 'pon  
Cah the youth dem maga like skeleton  
Poverty just a follow we anywhere we tun  
And we can burst gun too but that no relevant
