Up weh the breeze so cold upon the mountain hill

One a dem house deh we fi pose up in
Weh you see dog a the gate weh remote open
Walk-in closet weh the clothes up in
Like a store open, life is so - nice Arthur

The drive way weh we drove up in
Me did waan tek a phone film
'Cause it did long like a runaway mi drove so till
Me car deh 'pon so so rim
Me need fi richer than
And mi haffi deh deh out deh in
The gideon a mek the most a things
Weh you see Chris Gayle yard, we live closer to him
And when every gyal see we dem mouth open

Hustling 'cause I hope to live
Inna one a dem big house deh weh the judge live in

Count fi see if dem short we anything
If, dem ever short, we pass mi everything
More time mi no waan defend the thing
Cah mi no waan we kick off fi anything
But me have a mill weh me mask if anything
