

Just Another Day

Dexta Daps

Da-da-daseca
Oh uh oh, oh uh oh
Oh ooh oh
Yeah
Yo

White shorts and Adidas flip flops
Roll out, tell the ladies sit back
Yeah
Just another day
Anywhere you wanna go, where you wanna be
I will take you there...girl
Do you wanna be sitting on a beach?
Let me take you there
Festival with a few swim-around
Apple Vodka and a few Q-around
Yeah
Just another day

Roll out, vehicle, six cylinder
Yeah, the sun a kick like a ninja
A hot like fire, but baby, me no waan no AC wind down the window
Baby, weh you waan go?
She say, "The beach where the sand look albino
Fi ride the jet ski 'til the shorts a ride up"
Whole day she waan whine up

In her short shorts and her favorite flip flops
Just sit down inna the ride and kickback
Yeah
Just enjoy the day
'Cause anywhere you wanna go, where you wanna be
I will take you there...girl
Do you wanna be sitting on a beach?
Let me take you there
Festival with a few swim-around
Apple Vodka and a few Q-around
Yeah
Just another day

Everywhere we go everybody wanna know
Who we are, where we're heading
Tell dem we party from Negril, to Ochi, straight back to Kingston 11
Girl, do you wanna be in Miami or Manhattan?
Do you wanna go to Puerto Rico?
Do you wanna be in the islands or the beach inna Brazil where nobody no wear clothes

No shorts, only your flip flops
Just sit down inna the ride and kickback
Yeah
Just enjoy the day
'Cause anywhere you wanna go, where you wanna be
I will take you there...girl
Do you wanna be sitting on a beach?
Let me take you there
Festival with a few swim-around

Apple Vodka and a few Q-around
Yeah
Just another day

Tell your friends, "Come along!"
Nothing no wrong if you like my own, and me like your own
Yeah
Keep it fun
'Cause we got nothing to do on a sunny day but party
Yo
Baby, me love your energy
Love how you look hot inna your tight up...

Shorts, and your favorite flip flops
Just sit down inna the ride and kickback
Yeah
Just enjoy the day
'Cause anywhere you wanna go, where you wanna be
I will take you there...girl
Do you wanna be sitting on a beach?
Let me take you there
Festival with a few swim-around (few swim-around)
Apple Vodka and a few Q-around
Yeah
Just another day

I will take you there (I will take you there)
Let me take you there
I will take you there...
