

Love Again

Dexta Daps

Siempre estaré ahí para ti
Nunca te dejaré, bebé

You and I both know that
We've been through so much
So much negativity around us
But we found us, baby
Never thought I'd see love's face again
Never thought I'd be in this place again
Woo, woo, woo, woo

She made me feel like I could love again
(Love again, love again, love again)
Me did never have no love again
Then she tun it up again
(Up again, up again, up again)
She say she feel like love did tuffer when
She was with the other man
(Other man, other man, other man)
Him never really, really have a plan (have a plan)
Is like him never know the commandment (commandment)
She say him liar than the government, ment

Keep her 'pon a level like she nah smoke
Mek sure that she safer than me passport
She did think seh that she could a gwaan cope
With him, but that deh match deh cyaan even light a yard stove
On my journey to find love
I found an angel and I know
Jah Jah was a Wiz fi design you
Words cyaan define you
