

Mi Like A Gyal

Dexta Daps

Yeah

From me little bit a grow
Gyal a sit down inna me lap inna the bus back groovin'
And no bwoy cyaan trick Dapa
You a no no gyallis if you never slap two friend
True me cyaan keep one gyal, dem a say me confusing
Man a gyallis
And a now a long time we a do this

Me like a gyal, yeah
We no care 'bout destination
She we' gimme all inna the station
When police have me 'pon probation
Me like a gyal
Yeah, we no care 'bout no relation
She, she say she waan come look fi me
And she nah go wear 'pom

Tease you a tease 'bout "leave me alone"
She know the deal from she reach inna the room
She's got a reason to moan
'Cause she's on me, but he's on the phone
Now she's looking up when her knees on the floor
Said she's experienced, she's not a whore
Drum roll knocking, beat dung your door
With a one and a.. and a three and a four

Me like a gyal, yeah
We no care 'bout destination
She we' gimme all inna the station
When police have me 'pon probation
Me like a gyal
Yeah, we no care 'bout no relation
She, she say she waan come look fi me
And she nah go wear 'pon

T-shirt, she a wear, that a mine
Lever, she a climb and climb
She s shine, me a blind, diamonds in the sky
You mek me feel like
Me would a fall in love inna real life
Oh, oh, oh, oh, oh, no oh, oh, oh, oh
F' wrong with you, Daps?

Me like a gyal, yeah
We no care 'bout destination
She we' gimme all inna the station
When police have me 'pon probation
Me like a gyal
Yeah, we no care 'bout no relation
She, she say she waan come look fi me
And she nah go wear 'pon

From me little bit a grow
Gyal a sit down inna me lap inna the bus back groovin'
No bwoy cyaan trick me

You a no no gyallis if you never have two friend
True me cyaan keep one gyal, dem a say me confusing
Man a gyallis
And a now a long time we a do this

Me like a gyal, yeah
We no care 'bout destination
She we' gimme all inna the station
When police have me 'pon probation
Me like a gyal
Yeah, we no care 'bout no relation
She, she say she waan come look fi me
And she nah go wear 'pon
