Scared To Love

Dexta Daps

Yo, woo, woo, woo

She say, she still believe every man a dog
But, fi her own no fi go a any other yard, oh God
RazzAttack, check it out now
Me buck a neat little something weh easy fi talk to
We kicked it off, on 3 weeks she decide to move on

I said it feels so wrong, but I just can't let you go
Happened so quick, we no really have nothing fi show
We a do we own thing, and that a make it hard fi we
She no really know, but me feel it to me heart when she

Said I'm scared of being loved
But I swear I'll be your lover
I'm scared of being loved
But I swear I'll be your lover

She no believe in love no more
Cah she tried so many times
And she got so many memories
Of seeing him lying right in her eyes
Many nights she lays there lonely
Knowing he's by somebody else's side
A no like she no pree fi go 'round deh
But it nah go end up nice

So she's scared of being loved
But she said she'll be my lover
She's scared of being loved
But she said she'll be my lover

Ohh, she still believe every man a dog
But, fi her own no fi go a any other yard, oh God
Raaa, ahhh
Me buck a neat little something weh easy fi talk to
When we kicked it off, ion 3 weeks she decide to move on
Yo, woo, woo, woo

So long, and I just can't let you go
Happened so quick, we no really have nothing fi show
Yo, woo, woo, woo
We a do we own thing, and that a make it hard fi we
She no really know, but feel it to me heart

Scared of being loved
She said, she'll be my lover
Oh, oh, oh
