

## Still Bad

Dexta Daps

That's why mi walk wid the scatter shot  
Suh when dem start run you know how it go  
Anytime da glock yah clap  
Just know some people a go miss you

My gun save my life so much time  
A must why mi love it suh  
We meck the pan dem knock  
Just like the beat in a the calypso

When the rifle start sound  
Not even stone love  
Nuh draw dem yah crown yah don't  
Bwoy marrow fly in a the sky like a plane a go through the cloud  
And if dem clown you adn a two a you  
Mi still badder than unuh  
Unuh seh unuh bad, but mi still badder than unuh

Mi nuh haffi know you fi run you down  
Cause mi wi meck somebody run you down for a gun  
Cause cuff, cough, queff  
A we a just laugh  
Cause the cut in a dem face a because dem love talk  
The clutch back buss half  
And a cut grass like a cutlass  
Thruck cross wid the cut off pumpy  
Naw watch the bruk glass  
Supn a go jump off

That's why mi walk wid the scatter shot  
Suh when dem start run you know how it go  
Anytime da glock yah clap  
Just know some people a go miss you

My gun save my life so much time  
A must why mi love it suh  
We meck the pan dem knock  
Just like the beat in a the calypso

When the rifle start sound  
Not even stone love  
Nuh draw dem yah crown yah don't  
Bwoy marrow fly in a the sky like a plane a go through the cloud  
And if dem clown you adn a two a you  
Mi still badder than unuh  
Unuh seh unuh bad, but mi still badder than unuh

When the rifle start sound  
Not even fire-links  
Nuh draw dem yah crowd yah don't

Bwoy marrow fly in a the sky like a plane a go through the cloud  
And if dem clown you adn a two a you  
Mi still badder than unuh  
Unuh seh unuh bad, but mi still badder than unuh

Dem better don't meck mi ask fi dem

Cause too much people out deh a go bwal fi dem  
Suh tell a bwoy seh fi avoid the party dem  
And we'll embarrass you infront you forty friends  
Neven dem nuh know how long mi waan si dem  
Mi rifle need fi blow like the cartri dem  
Walk wid something and just gwaan fi dem  
Dem nuh bad, tell dem send down the boss fi dem

That's why mi walk wid the scatter shot  
Suh when dem start run you know how it go  
Anytime da glock yah clap  
Just know some people a go miss you

My gun save my life so much time  
A must why mi love it suh  
We meck the pan dem knock  
Just like the beat in a the calypso

When the rifle start sound  
Not even stone love  
Nuh draw dem yah crown yah don't  
Bwoy marrow fly in a the sky like a plane a go through the cloud  
And if dem clown you adn a two a you  
Mi still badder than unuh  
Unuh seh unuh bad, but mi still badder than unuh
