Beautiful World, Beautiful Girl
tell me what you're thinking.
Where have you been?
Please let me in.
Tell me how you're feeling.
Because without you life seems upside down.
Disconnected when you're not around.
Yeaaahh

You're a beautiful girl in a beautiful world and I don't want to live
without you.
Cause I need you tonight make me feel so alive and I'm dying to be be
side you.
