

# I'm Going To Get Free

Dexys

You can make it  
Woah-ho you can make it  
Woah-ho you can make it  
You can make it  
Woah-ho you can make it  
Woah-ho you can make it

I can move some times and still not feel free  
Like you're chained down?  
Yes  
Being pulled down?  
Oh yeah  
Guilt it had such a hold on me  
I tried many times before  
I did realise that it all comes down to me  
Now I'm going to get free

You can make it  
Woah-ho you can make it  
I'm going to get free  
You can make it  
Woah-ho you can make it  
I'm going to get free

You don't ever learn nothing til you look and see  
I never did look really, I'll talk truthfully  
Were you frightened?  
I was  
Of your violence?  
Oh yeah  
I had so much hate in me  
I stopped and I looked and I said to myself  
I'm not liking what I see  
And now I'm going to get free

You can make it  
Woah-ho you can make it  
I'm going to get free  
You can make it  
Woah-ho you can make it  
I'm going to get free

Oh well he tried to take my pride  
But I had some deep down inside  
Looking back now I would say he was afraid of me  
Were you dreaming?  
Yeah  
Always scheming?  
Yeah. Trying to escape from my reality  
I have to admit, but when I was a kid  
I could've used some company  
Doesn't matter cos now I'm going to get free  
If it half kills me, yeah

Woah-ho you can make it  
I'm going to get free  
You can make it, Woah-ho you can make it

I'm going to get free  
You can make it, Woah-ho you can make it  
I'm going to get free  
You can make it, Woah-ho you can make it  
I'm going to get free  
Come on!
