Dexys

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me

My Goddess is beautiful and serene  
When I look into her eyes, I go into a dream  
My Goddess is, glorious and mean  
Every time she treats me bad, I get even more keen

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me

My Goddess is liberated in every way  
Sexy and independent. A woman of today.  
My Goddess is the sexiest girl I know  
Even when she makes me sad, I still come back for more

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me

My Goddess is easy on the eye  
I just have to look at her and my temperature goes high  
My Goddess is often on the phone  
Talking to her friends all day, she leaves me all alone

My Goddess is everything to me  
No other woman comes close and I don't want to be free  
My Goddess, she tells me I'm her bitch  
Makes me serve her every need, and scratch her every itch

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me

My Goddess is  
My Goddess is  
My Goddess is  
She's everything to me
