

A Tooth for a Tooth

Dezperadoz

Still sittin' here in my dead man's coat
A lonely end on a winding road
That was my time, a wasted life
The devil's waitin'
I have to ride

The sun is up, I hear them come
To kill the man that I've become
There's no way out, I'll pay my dues
And eye for an eye and a tooth for a tooth

So understand
The fifth command
