Here Comes The Pain

Dezperadoz

What have you done? With that you've signed your doom Was it a pleasured fun To violate her dude?

She was just a little whore A little beast, one thing's for sure Better be thankful Better be glad So don't be a fool Get even not mad

If you want to stay alive Don't cross my bloody way

So you want to play this bloody game I'll be here to stay The sinner met the saint

I will hunt you for the rest of your days Will find and will break you Better start to pray Once we were brothers Friends all in fame Now the worms in my barrel Will crawl in your brain

Believe you stay without a scratch Think even I'm insane

Here comes the pain Here comes the pain

And if you want to stay alive Don't cross my bloody way Here comes the pain Here comes the pain

Pain!
